

Berkeley PTA Council Hosts School Board Candidates Night

Tuesday, October 28, 2014
7:00 PM - 8:30 PM

Martin Luther King, Jr. Middle School
1781 Rose Street, Berkeley

Join us at the first Berkeley PTA Candidates Night as those running to lead the Berkeley Unified School District address questions and concerns from those most directly impacted by their actions - the students and their families in the school community. Questions prepared from within the PTA Community - available for viewing with Candidates written responses on the Berkeley PTA Council website http://berkeleypta.org/advocacy/election/2014_questions - will be addressed with time reserved for audience questions.

***Come share an evening that will be both meaningful
and informative to the Berkeley Community.***
